For 2018

A Wonderful Trip to Ireland – May 15<sup>th</sup> thru to May 28<sup>th</sup> ,2018

The trip starts in Dublin and moves south west and then north to Northern Ireland for a few nights in the Northern Ireland

The Titanic Exhibition, Guinness and Smethwick's Brewery tours, Jamieson and Bushmills distillery tours, along with golfing and High Tea are among some of the great things planned for the tour.

There will be 25 passenger tour buses to lead us thru the various tour places and several stays in five star hotels along with a night in a castle.

AMA tour people from our own Calgary office will be our guides as we tour the beautiful Irish countryside. Tracy and her husband will be the tour guides and line us up with these special places to see and visit.

The trip does not include airfare as many have expressed going to other European countries before and after the tour of Ireland. We have chosen to join with AMA as each person may go and see Tracy and her team to explore and decide on further destinations if so desired. Tracy has several flight options to ensure you are in Ireland for the beginning of the tour and will guide you thru the options at the best value possible.

The trip is pricing on the tour only which includes 8 evening meals, breakfast each day and then a special evening of entertainment, music and food in Dublin area all in with the tour pricing.

Pricing is as follows:

\$3699.00 Twin/Double

\$4949.00 Single

**On June1st, at 7:00 pm at the Shrine Centre.**

Ernie and Gordon invite you to the Al Azhar Shrine Center for an evening to explain the trip and options for airfare and on to other destinations.

There will be wine, cheese and a special beer for the evening as we show what a wonderful trip we have planned for our 2018 year.
